

St. Joseph Society's May Boot Camp: **The 3 Ways of the Interior Life**

Objective: According to The Baltimore Catechism God made man “to know him, to love him, and to serve him in this world and to be happy with him forever in the next.” Jesus answered the question about the meaning of life even more briefly when he said that he “came so that [you] might have life and have it more abundantly” (John 10:10). The mission of the St. Joseph Society is to help men “To Order All Things to Christ” by growing strong in mind, body, and spirit. This month, we will explore the universal call to holiness, the perfection of the Christian life, and the three ways of the interior life so that we can become the man God created us to be.
